WORK EXPERIENCE

Tutor – TUTTEE Academy

Sept 2022 – Present | London, United Kingdom

- Responsible for formulating engaging and effective lessons, with **100% of my students achieving A* mock exam results.**
- Led weekly internship interview prep and general admissions test seminars, helping **5 students** secure summer internships.

Asset Management Intern – Opus Asset Management

Aug – Sept 2022 | Kuala Lumpur, Malaysia

- Client Investment Services – Researched alternative funds' performance by using Lipper Tables to analyse various investment strategies, then designed and created engaging fund prospectuses which increased **client intake by 15%.**
- Fund Management Department – Analysed financials, industry, and annual reports, etc to write **credit rating press releases** for banking and mining. Assisted Head of Economics in creating ASEAN banking operational risk presentation for **UOB Bank.**

Equity Research Intern – Hong Leong Asset Management

Aug – Sept 2021 | Kuala Lumpur, Malaysia

- Responsible for building and adapting a financial model in Excel to perform financial forecasting for a commodities firm. Worked closely with the Head of Equity Research to improve model accuracy, improving data analysis and communication.
- Researched industry and commodity reports and combined this with financial analysis to compile an 18-page comprehensive investment report, which was presented to the CEO of Asset Management and other senior fund managers.

Corporate Finance Intern – Hong Leong Investment Bank

June – July 2018 | Kuala Lumpur, Malaysia

- Utilized a Bloomberg Terminal to compile a list of over **100** different historical share values. This ensured that the firm's records were up to date and accurate, correcting about **72%** of prior mistakes.
- Responsible for analysing a broad array of financing strategies to address client-specific needs and presented debt recommendation strategies to senior bankers. This resulted in client firms' borrowing costs reducing by **10-20%** on average.

POSITIONS OF RESPONSIBILITY

Malaysian National Call of Duty Esports Captain

Jan 2020 – Sept 2020 | Kuala Lumpur, Malaysia

- Represented Malaysia in the 2020 ASEAN Call of Duty Tournament, **winning the Gold Medal and MVP award.**
- Developed strong communication and collaborative skills, resulting in a **record 100% series win rate.**

Upper Sixth-Form Prefect

Sept 2018 – June 2019 | Shrewsbury, United Kingdom

- Organized and led a team of prefects during the annual Winter Fayre to build and manage attraction stalls for the public, raising over **£1875** for the Harry Johnson Trust and welcoming a record **2600** guests to the college.
- Founded the Pizza for Charity initiative, organizing and hosting a weekly pizza sale. Raised over **£250 for a local charity.**

Volunteering Society President

Aug 2015 – June 2017 | Kuala Lumpur, Malaysia

- Led weekly English and Math child refugee tutoring and founded a bake sale initiative that raised over £400 for charity.
- Built **20** houses, organized beach clean-ups, and made food packets for orphanages in Perhentian and Pangkor.
